Wall mount for interactive touchscreen

Ref.: ST-SM-002

This wall mount is an elegant and robust display solution, enhancing the aesthetics of your interactive screen:

- Compatible with interactive screens from size 55"
- Ideal for professional, educational, and commercial environments.
- Made with quality materials, this wall mount offers a solid fixation for your screen.
- Its minimalist and discreet design ensures harmonious integration into any space, emphasizing the screen rather than the mount.
- Although fixed, the mount allows easy access to all ports and controls of the screen, ensuring an unconstrained user experience.
