

STAND

Non-height adjustable mobile stand for interactive display

Ref.: ST-SUP-MOB-SIM-004

This mobile, elegant stand fits easily into co-working spaces and meeting rooms with a sleek design:

- Particularly quick and easy to assemble
- Its wheels with brakes allow it to be moved and positioned safely
- Its inverted Y shape gives it great stability by centring the weight of the screen
- Its rounded structure and anthracite colour give it a pleasing appearance
- VESA mounting bars allow you to attach a wide range of screen sizes, from 55" to 105".
